Dear Sir,

Last week, I shared an Excel sheet containing the rough form fields for Consent, Hazardous Waste, and Company Profile. I wanted to kindly follow up, as I have not yet received your feedback.

Please take a moment to review the documents and let me know if any fields need to be added or removed.

Looking forward to your confirmation.

Thank you for your time.

Best regards,  
Dhananjay, Omkar

Hello sir,  
We have attached the excel sheet containing rough form fields regarding Consent, Hazardous Waste and Company Profile.  
Please check and confirm.  
Add or remove any fields if necessary.

Thank you,  
- Dhananjay, Omkar
